

Crosswind Project Management Inc.  
PMP Exam Success Series: Certification Exam Manual Errata Document  
for 3<sup>rd</sup> Ed. PMBOK Guide

Page 15, Section 3.2.7, "**143/200 is a PMP score**" should be changed to "**106/175 is a passing PMP score**". (**Explanation:** When this book went to press 143/175 was the passing score PMI had designated for the new standard. It was later revised to 141/175 after the book had completed production, then later revised to 106/175 as of December 1, 2005.)

Page 75/76 Question 84, the correct answer should be "D" Contract Closure. The explanation should read "Closing the project occurs before contract closure."

Page 84 Question 134, the explanation should have "BDF is 14 days" replaced with "BFG is 13 days".

Page 104 starts with "In Controlling" and should start with "In Monitoring and Controlling".

Page 146, Section 6.9.4, Second line "with all contracts and vendors are done before", **BEFORE** should be changed to **AFTER**

Page 150, Section 6.12, Direct and Manage Project Execution should be changed from "**P**" (for planning) to "**E**" (for executing).

Page 197, Question 16 should have the correct answer as (B) Project B.

Page 205 at the top of the page should read "the table at the bottom of this page is ideal for memorizing for the exam"

Page 247, Section 8.11.2, Question number three should **ONLY HAVE "PDM (Precedence Diagramming Method)" BOLD**

Page 274, Section 9.13.5, The table at the bottom of the page in the middle column (Estimate to Complete (ETC) Description) should have the descriptions start with "**This estimate to complete**" instead of "**This estimate at completion**" for all three rows.

Page 275, Section 9.13.5, The formula for "Based on remaining budget" should have "**EV**" changed to "**EV<sup>C</sup>**"

Page 379, Section 11.8.4, Question #26, the final row of the question "of the following should be considered for developing the project team except?" should have "**developing**" replaced with "**managing**".

Page 396 Key Outputs for Resolved Issues says "**addresses are no longer require attention**" should be changed to "**addressed and no longer require attention**".
